Accessorize your Reading body!

You wanted the best, you got the best. Now you have a chance to make it even better! Simply review these available enhancements, check off the ones you want and bring this sheet to your local Reading distributor. They will provide pricing and schedule quick installation of these valuable options. Enjoy even greater productivity out of your Reading service body…equip it today!

- **Latch-Matic® and audible alarm system**
  Remote wireless locking system. Unlocks your compartment doors with the touch of a button. Alarm guards all compartments in addition to cargo areas on enclosed bodies.

- **Compartment lighting**
  Must be used in conjunction with Latch-Matic®. Lights are activated when compartments are unlocked, and turn off automatically after 10 minutes.

- **Gravel guards**
  Aluminum treadplate gravel guards protect the lower front edge of the compartment sides and have an attractive appearance.

- **Tailgate guard**
  Bright aluminum treadplate protects the top of the tailgate and has an attractive appearance.

- **Extend-A-Shelf, 250 lb. capacity ball bearing drawer unit**
  Equipped with 3 drawers (low profile models have 2 drawers). 1 drawer models available for horizontal compartments.

- **Steel sliding top**
  Available in two or three section models (depending on body size), this sliding top moves freely on full length galvanized steel tracks (front section is stationary) and locks with a 2-point positive action T-handle lock.

- **E-Z Slide Drawer Module**
  A stand-alone 5-drawer module that easily bolts into the front vertical compartment.

- **Cargo area light**
  Features impact resistant Lexan lens. Must be used in conjunction with Latch-Matic®

- **Pipe vise rack**

- **Material hooks**

- **Steel side-mount adder rack**

- **Steel overhead ladder rack**

- **Pipe vise rack**

- **Tailgate guard**

- **Grip-n’-Glide 250 lb. capacity drawers with ball bearing slides, ergonomic single-hand operation, and 3 drawers.**
